Radiometrics over DEM

Magnetics using HSI enhancement

250k geology overlaying magnetics

This map compiled for honours unit  
by Berlinda R. Crowther.  
Geology Dept. ANU, 2002

The three illustrations to the left provide a brief overview of the area mapped. Far left: Radiometrics colour drape over DEM showing the field area; middle left: magnetics using HSI false colour; left: magnetics with geological units overlaying.
