

J. E. Davey (CRC LEME, University of Adelaide)

Thanks to the NSW Geological Survey, especially John Greenfield, Bill Reid and Kingsley Mills, for their assistance and preliminary discussions and advice. Also to CRC LEME, in particularly Lisa Worrall, for funding and support of this project. Thanks to station landowners. Anita from Mt Poole & Ray & Debbie from Mt Browne. Field assistance was provided from Sarah Gibbons. My supervisor Dr Steven Hill is thanked for his enthusiasm and on going support.
