

LICENCE AGREEMENT COPYRIGHT AND INTELLECTUAL PROPERTY RIGHTS © CRC LEME, 2006

By using the CD you agree to the following:

Copyright on all the material available on this CD is owned by the Cooperative Research Centre for Landscape Environments and Mineral Exploration (CRC LEME), the Geological Survey of Western Australia (GSWA) and the Minerals and Energy Research Institute of Western Australia (MERIWA) according to the Australian Copyright Act 1968, and may only be used in the ways described in this legal notice.

You may publish extracts from the text of the report and/or the data file on this CD, provided a suitable acknowledgment accompanies such publication. Such acknowledgment requires reference to CRC LEME, GSWA and MERIWA, and the names of the primary authors.

You must not remove any copyright notice from any file and a copy of this copyright notice must be included with any copy that is copied to computing facilities within your organisation.

DISCLAIMER

You accept all risks and responsibility for losses, damages, costs and other consequences resulting directly or indirectly from using this CD or any information or material available from it. To the maximum permitted by law, CRC LEME, GSWA and MERIWA exclude all liability to any person arising directly or indirectly from using this CD and any information or material available from it.

CRC LEME is an unincorporated joint venture between CSIRO (Exploration & Mining and Land & Water), the Australian National University, Curtin University of Technology, University of Adelaide, Geoscience Australia, Primary Industries and Resources SA, NSW Department of Primary Industries, and Minerals Council of Australia, established and supported under the Australian Governments Cooperative Research Centres Program.
